Home is a feeling

...beyond the floors and the ceiling.

A place to live, somewhere to belong.

Home feels right, when everything else feels wrong.

Home is the tears and laughter, the before and afters.

The all on your own, or packed to the rafters.

It's inside, it's outside, outgrown or down-sized.

Home is the feeling of safety and security,
from the day we're born, right through to maturity.

Everyone deserves the feeling of home
and be given the same opportunity...

Homes for the community.
